claims and to be republished in the event of the receipt of
amendments.*

A cross-sectional view of a multi-layered structure 10. The structure consists of a top layer 14a, a middle layer 14b, and a bottom layer 14c, which are collectively indicated by bracket 14. Below these layers is a large central region 12. At the bottom of the structure is a hatched layer 20. A dashed line 18 is located just above the hatched layer 20. The entire structure is labeled 10 at the top left.
